PRESIDENT'S MESSAGE

Joshua Johnson
CRCS-I/P, CRCP-I, CRCE
IL Chapter President

AAHAM Friends!

Happy New Year! I hope that all of you had a very Merry Christmas and enjoyed a Happy New Year celebration. This is my final President's Message and I just simply wanted to take the opportunity to say THANK YOU!

Thank you to the IL AAHAM Membership. Your confidence in me as your President is very humbling and I appreciate my time with you more than you could possibly know.

Thank you to my Board of Directors. Serving with you has been a tremendous opportunity and I will always be grateful for the support you have shown me during my terms as President.

Thank you to the National AAHAM Executive Board of Directors for their continued guidance and direction that affords the IL Chapter the opportunity to succeed. I could not have done it without the support and mentoring they provide me on a daily basis. IL AAHAM has truly, "Raised the Level" and I could not be more proud.

Thank you to our Corporate Partners! Without your unending support and dedication to AAHAM and the IL Chapter, we could not do it! I appreciate your support and collaboration that has made IL AAHAM what it is today! Thank you, Thank you, Thank you! The next edition of the Lincoln Log will be the last edition featuring our 2019 Corporate Partners. We thank you for all that you have done! We look forward to partnering with you in the future!

Thank you to the friends and colleagues that I have met along my journey. I will always be grateful for what you have brought to my life. I consider this network of friends priceless and I would never have had the opportunity to meet you if it hadn't been for my time with AAHAM.

Thank you to my wife and family. Thank you for allowing me the time to volunteer and always supporting the time it takes to make IL AAHAM great!

Thank you Gibson Area Hospital and Health Services. Thank you to John Currier, Matthew Ertel and Rob Schmitt for supporting my time with IL AAHAM. They truly understand that volunteer organizations could not function without great leadership from all areas of the Revenue Cycle and that a partnership with AAHAM is great for both organizations!

As I assume the role of Chairman of the Board, I am very excited to support the new Board of Directors as they continue to "Raise the Level".

With a grateful heart and best wishes to all of you for a prosperous, happy and healthy New Year!

Yours in AAHAM,

Josh

In today's healthcare environment, improving the patient journey is critical, especially when an estimated 30% of hospital revenue is dependent on patient payments.

High deductible health plans (HDHPs) require patients to bear a greater portion of their healthcare costs. This makes patients to feel overwhelmed by incoming medical bills causing Accounts Receivable days tend to increase, leading to bad debt. Although a health care organization's bad debt to net patient revenue should be under three percent, most hospitals are trending much higher due to the increasing patient liability. This reflects the staggering 42.9 million Americans who are estimated to have a health care bill in collections today.

CHANGES TO AAHAM CERTIFICATION

AAHAM Combined Certifications

We are pleased to announce that starting with the March 2020 certification testing period, the AAHAM CRCE, CRCP and CRCS certifications will no longer have separate exam versions for Institutional (I) and Professional (P).

AAHAM strives to lead the way with forward thinking initiatives and a higher standard for those members seeking certification. The combined certification format benefits our examinees as they will be tested on both the Professional and Institutional sides of the industry in an effort to provide the most comprehensive certification possible on all aspects of the revenue cycle. This in turn will broaden their knowledge while making them more valuable to their employers and colleagues as well as more marketable to those looking to seek employment in any number of healthcare settings.

The 2020 CRCS, CRCP and CRCE study manuals have been updated to reflect the new exam format as well with clear study instructions for the examinees. The CCT and CRIP certifications are unaffected by this change.

New AAHAM Exam Section Retake Policy

We are pleased to announce the AAHAM certification exam retake policy has been updated to give our test takers more flexibility with scheduling their section retakes. The new policy allows for section retakes to be taken outside of the three standard exam cycles held each year in March, July and November. The only restrictions are that the section retakes need to be scheduled at least 30 days out from their initial testing date, and the test taker is responsible for making their own proctor arrangements, whether it's with their original exam proctor or online through ProctorU. This option has been requested by many members and we are pleased to be able to offer this in response to those requests.

If you have any questions, please contact Matthew Hundley at matthew@aaaham.org or 703.281.4043 ext. 3.

CHANGES TO AAHAM CERTIFICATION

New AAHAM Online Exam Proctoring Portal

We are pleased to announce that the AAHAM certification exams are now open for registration with our online proctoring partner, ProctorU. This provides a convenient testing option especially for examinees that are not able to easily connect with an in person proctor locally for their exam. ProctorU is a live online proctoring service that allows you to take your exam from the comfort of your home or at work. A strong emphasis on proctoring integrity is enforced by ProctorU.

In order to use ProctorU, test takers will need a high-speed internet connection, a webcam (internal or external), a Windows or Apple Operating System, and a government issued photo id.

What is American Association of Healthcare Administrative Management? (AAHAM)

AAHAM is one of the predominant organizations providing educational and professional development for revenue cycle professionals in Illinois. Our membership includes professionals from patient financial services/revenue cycle specialists, clinical managers, administrators, chief financial officers, consultants and a variety of other professionals in related fields. All of our meetings provide our membership an opportunity to learn, network among colleagues and earn continuing education credits.

Illinois AAHAM conducts several educational conferences each year. Each spring and summer our chapter presents one full day of educational meetings. In the fall, our education session is coupled with the annual Charles Garvin Memorial Event. The Annual State Institute (ASI), held in December, is spread over a day and half and includes a vendor tradeshow.

As an Illinois AAHAM Sponsor, your company will receive a significant amount of recognition opportunities throughout the year. Your organization's name will be included in pertinent marketing materials and on-site acknowledgement at ALL educational conferences. As a part of your sponsor package, you will also receive complimentary advertising in the Lincoln Log.

Open enrollment for our sponsorship program is held once a year. Your investment in our program will provide company recognition for an entire year (January 1, 2020 through December 31, 2020).

*Please note: An additional fee of \$600 is charged to exhibit at our Annual State Institute in December. The exhibit fee also includes one meeting registration. For those vendor partners who sponsor at the Platinum Level, the exhibit fee and one meeting registration are waived (they are included in the Platinum sponsor package).

We believe participation in the IL AAHAM Sponsorship Program should be an integral part of your company's marketing program.

Please contact Julie VanPelt at jvanpelt@avadynehealth.com or Vanessa Haydon at vhadon@mra.revecore.com or send an e-mail to ilaaham1@gmail.com to discuss your company's sponsorship opportunities!

We appreciate your support of Illinois AAHAM!
